

# November 20, 2017—Historic Day for Planned Parenthood in Waco

Ross Avenue Center, open since 1963, is shuttered. New 9000 sq. ft. building on W HWY 6 opens in clear public view. Planned Parenthood concealed its ownership during construction. One wing of 3000 sq. ft. will be for committing abortions.

Notice at Ross Avenue entry for closure of Planned Parenthood birth control and abortion center.

Planned Parenthood tore its sign off the exterior wall.

The mask is now off! Nov 20 was the first day of operation for the new Planned Parenthood facility at 700 W HWY 6. Abortions will be committed at the wing to the left.
