

REMEMBERING LIVES LOST & HEARTS BROKEN

The tragic Roe v Wade Supreme Court decision was handed down on 22nd day of January, 1973

Whoever welcomes a little child like this in My name welcomes Me.

Matthew 18:5

Any country that accepts abortion is not teaching its people to love, but to use any violence to get what they want. This is why the greatest destroyer of love and peace is abortion.

On this day 48 years ago, the Supreme Court launched America down a dreadful path to abortion on demand.

Since that day in 1973, over 60 million babies have died in the U. S.—as justifications expanded from “hard cases” to abortion at any time and for any reason.

Abortions at Waco began in 1994. The lives of over 20,000 babies in the womb have been extinguished at Planned Parenthood Waco facilities.

The death of innocent pre-born babies is a leading social justice issue for the 21st century. The demise of those who cannot defend themselves, is compounded by the spiritual, physical, and psychological damage to moms, dads, grandparents, friends, and to our moral fabric.

The pain, regret, and tears ripple through the decades and generations of personal and family life.

January 22, 2022 marks 49 years since the Roe v Wade Supreme Court decision. The purpose of this full-page ad in the Waco newspaper is to honor 60+ million preborn babies lost to abortion in the U. S. and to mobilize for outreach in defense of babies and moms. The ad will display the names of hundreds of Texas households (individuals and couples) which contribute \$5 to \$50. If contributions fall short of the ad cost of \$3,700, Pro-Life Waco will absorb the shortfall. Any surplus would go to the PLW outreach fund.
