RSVP@PREGNANCYCARE.ORG

254-772-8270

**This is not a fundraiser!**

Our desire is to raise both the awareness of the value of preborn life and the availability of resources to help women with unplanned pregnancies in Central Texas.

You will receive a free DVD of the movie "Unplanned," along with the opportunity to host an independent, free showing of the movie at your church anytime during the last weekend in October. Your church will be listed in an advertisement in the Waco Tribune Herald.
