

www.teenwire.com is Planned Parenthood's web site for teen sex information/promotion.

One of the features of teenwire is "Ask the Experts."

Teens send in questions. Planned Parenthood is the expert answering the questions.

Here are some of the questions that can be found today on teenwire.com. The answers are often more outrageous than the questions.

Dear Experts,

I want to know if swallowing sperm makes you fat. I heard that it is 100% protien and 50 calories per squirt, is that true?

Today's Question (Easter Sunday 2004)

"Sometimes I feel like I want to have sex with a guy, and sometimes I feel like that about a girl. What does this mean?"

Dear Experts,

Me and my boyfriend were having sex, and it was my first time, and at the end when we were talking about it, he said "You were kinda quiet, most girls yell and moan." Why is it that most girls yell and moan when having sex?

Dear Experts,

My boyfriend can't make me orgasm and i was wondering if it was possible that my body is used to orgasming the way i masturbate, and if not, now can he make me orgasm? he has fingered me and we've had sex for a long time, but its like my body refuses to orgasm....what can he do to make me orgasm?
BABYLUVSM

Dear Experts,

Can you get pregnant by having oral sex? Because I included myself in oral sex and i just wanted to know if i was able to get pregnant by this. I also wanted to know if oral sex is bad for the body and can it harm you in anyway.
sexbabemya

Dear Experts,
