Dear Dr. Pisciotta:

Thank you for contacting Wells Fargo regarding any donations to Planned Parenthood. I appreciate your concerns and for giving me the opportunity to visit with you about our corporate giving.

One area you asked me to address was our Community Support Campaign and matching donations. Our 266,000 team members are active in our communities through board service, volunteerism and philanthropy all year. One time of the year, during our Community Support Campaign, they may choose any nonprofit to contribute their personal funds to. Wells Fargo will only match team member donations during that one time campaign to educational institutions. Planned Parenthood does not qualify under our guidelines for a matching contribution.

**Wells Fargo does not provide funding to Planned Parenthood at a national or corporate level.**

Every care and consideration goes into the dollars we invest in the Waco area and those decisions are approved at a higher level to assure our decisions coincide with our Vision and Values. Thank you again for your concerns.

Sincerely,

Katrina Reid
